President-Elect Adams Spends Week at UNH

Gets Acquainted with Officials at University

Dr. Arthur S. Adams, president-elect of UNH, arrived in Durham last Monday for a week's "get-acquainted visit". Although Dr. Adams will not be able to assume his new position in New Hampshire until the first part of June, he is taking this opportunity to meet as many people connected with the University as possible.

Dr. Adams said he had no definite objectives planned as yet, but that his first task would be "to learn as much as possible as quickly as possible". "I think it's a good idea to find out how deep the water is before diving in," he said. Dr. Adams reiterated his belief that cooperation among all concerned is necessary for a successful administration.

Dr. Adams' remarks concerning athletics, student interest in politics, and the functions of a university indicated no radical departure from current practice in administration.

"I am greatly honored," said Dr. Adams, "to be given an opportunity to serve this institution." The enthusiastic reception he received on campus indicates that members of the university are honored too.

ROTC Grads Get Appointments Today

The first group of ROTC graduates of the University of New Hampshire to be awarded commissions in the Officers Reserve Corps of the U. S. Army since the war, received their appointments as Second Lieutenants at a ceremony held in New Hampshire Hall, at 2:00 p.m., Thursday, Feb. 19.

Brig. Gen. Charles F. Bowen, the Adjutant General of N. H., administered the oaths of acceptance, assisted by Col. Arthur Lavery, senior state instructor organized reserve corps.

A list of ROTC graduates receiving appointments are: **Infantry**, Robert S. McNair, Charles F. Spear, Jr.; **Coast Artillery Corps**, Eugene R. Boutin, John D. Cross, John K. Gallagher, Kenneth M. Place, James S. Weeks; **Signal Corps**, Henry W. Lutz.

The ceremony opened by Cadet Colonel James Weeks relinquishing command of the cadet corps to the new cadet colonel, Richard W. Burkholder.

CARNIVAL BROADCAST

The Outing Club announces that Radio Station WHEB of Portsmouth will carry radio interviews of the Carnival Queen and her aides, the carnival chairman, and the Outing Club President, today at 4:15.

Masquerade Dance To Be Held at Durham Notch Hall

A masquerade dance is to be held at the Notch on Saturday, Feb. 28, from 8:00 to 12:00 p.m. Tickets will be sixty cents per couple, but stags are more than welcome.

The theme of the dance is ingenuity of costume, and there will be a prize for the most uniquely dressed girl and boy. No limitations as to the type of dress. Masks will be distributed at the door to complete the costumes.

Andy Hastings and his band will furnish plenty of music. Free refreshments served at intermission.

Request Withdrawal Of 183 Students; Little Less Than 5%

The following numbers of students of UNH that were required to withdraw at the end of the first semester 1947-48 run as follows:

	Agriculture	Liberal Arts	Tech.
Freshmen	5	38	21
Soph.	11	39	30
Juniors	3	13	10
Seniors	1	9	3

The total for all three colleges is 183 students, making a percentage of a little less than 5%, using a total enrollment of 3800 students as a basis.

Hood House Gives Class Excuse Rules

Hood House announces that the granting of medical excuses by the Health Service in the future will be as follows:

1. Single class excuse will be granted only under special circumstances, as outlined in the current excuse regulations.

2. Medical excuses for 24 hours or more because of illness are automatic, provided the student is under the care of the physicians of the Health Service or is ill at home as certified in writing by his family physician, dentist, or parent.

It has come to the attention of the Health Service that the contents of "Benzedrine Inhalers" are being used to keep one awake during final examination periods. They warn that this is a very hazardous procedure and should be stopped at once. Two fold injury can result from such a practice. First, unsupervised taking of Benzedrine can result in serious, permanent nervous and mental trouble. It is therefore very unwise to take Benzedrine except upon the advice of a physician.

Second, the other drugs that are in the "strips" found in the inhaler can cause permanent, serious injury. If not permanent, they can make one very ill as several students can certify as a result of this type of indulgence during the recent exam period.

They also add that there is practically no danger from using the "Benzedrine Inhaler" in the manner it was intended to be used.

Official Notices

All students are responsible for knowledge of notices appearing here.

Because of the Carnival there will be no classes Friday after 1 p.m. or Saturday morning, February 20, 21.

Scholastic probation for the current semester became effective Monday, February 16. All on probation must resign at once from activities for which they are ineligible.

Undergraduate men commuters wishing a dormitory room for this semester should see the Secretary of Room Assignments, Thompson 107.

A student absent from one or more classes between 1 p.m. Thursday and 1 p.m. Friday will be fined \$5.00. Likewise an absence from 1 or more classes on Monday will result in a \$5.00 fine.

Carnival Badges on Sale About Campus

On Feb. 18 the Carnival Badges went on sale at various spots about campus. The purchase of these badges will be the only cost in addition to the ball for the entire four-day Carnival weekend.

Admission to the main events of the weekend, namely the Snow Brawl, the Midnight Show, and the Ice Show will cost only the price of a single badge. This cost is set at 50 cents (tax included) for all Outing Club members and \$1.00 (tax included) for all non-members.

A dance, featuring the Notchmen, a movie and a "professional" ice show will be the main events. Posters to be used as souvenirs for the 27th Annual Winter Carnival will be on sale during carnival weekend. These posters will be large size on heavy paper suitable for decorations.

Mask and Dagger Casts "Hay Fever"

With the first reading of Noel Coward's comedy, **Hay Fever**, last Monday, Mask and Dagger began work on the major production for the second semester of their twenty-fifth season.

In line with previous practice, double casting has been announced with the following persons assigned roles: Sorel Bliss, Betty Lavery, Virginia Grider; Simon Bliss, Harold Orel, John Garside; Clara, Betty Aherne; Judith Bliss, Betsy Howard, Jeanmary Durant; David Bliss, Herbert Blais, Bradford Chase; Sandy, Al Pia; Myra, Betty Jane Ericson, Geraldine Fox; Richard, Norman Selzer, Richard Fellows; Jackie, Lorraine Moody, Joyce Marshall.

Professor Batcheller has expressed hope that this show will be taken on the road the last week in April. Engagements are anticipated in Haverhill, Portland, Laconia, and Concord, and there is a possibility for an addition campus performance during graduation week.

OUTING CLUB

The Outing Club announces simultaneous trips to Franconia and Jackson on Feb. 28 and 29. Leaders for the Franconia trip will be Barbara Currier and Dick Grossman and Shirley Currier and Armand Roy will be the leaders for the Jackson trip.

Official Coronation By Governor Dale

The highlight of the Carnival Ball will be the official coronation of Queen Nancy Brackett and her aides. The crowning will be done by Governor Dale who will be present especially for this event.

Randy Brooks and his orchestra will provide the music. His band has played in several of the better dance places of New England and is now enjoying one of its better seasons.

New Hampshire Hall will be decorated in the theme of the Carnival Weekend. This theme is Olympic sports and activities. The queen shall be crowned on a throne which will be suitably decorated.

The chaperones for the dance have been announced and are as follows: Dean and Mrs. Medesy; Mr. and Mrs. Randall; Dean Woodruff; and Mr. and Mrs. Glenn Stewart.

Tickets went on sale the Monday of this week and may be obtained at the Wildcat or the College Pharmacy.

Cash Prizes for Writing Contests

The contest craze has hit the nation by storm again. The following are a few of the major ones to reach this campus.

A prize of \$500 in the editorial contest of the Intercollegiate Association for the study of the alcohol problem. Any undergraduate student may enter.

A prize of \$500 is offered for two of the best stories from 3,000 to 5,000 words submitted for publication in **Mademoiselle**. Only women undergraduates are eligible.

For guest editorials to be published in the **International Student** magazine a prize of \$500 is to be awarded. College newspaper staffs won two of the prizes last year.

For further information on writing contest prizes, rules and regulations for entries, manuscripts, deadlines, addresses, and the like, contact **The New Hampshire** staff any Sunday or Monday night.

Notch Wants Nominees for Executive Board Elections

Durham Notch Hall announces that elections for the new executive board are forthcoming next month. Five men and three women are to be elected. Not more than three of these should be seniors during the coming academic year.

Aides Assist Reign Of Royal Highness

Miss Nancy Brackett of Portsmouth, N. H. will reign as queen of the Winter Carnival at UNH. Aides to the queen are Ruth Coombs, Maplewood, N. J.; Pat Johnson, Portsmouth; Claire Rouillard, Claremont; and Toni Townsend, Cambridge, Mass.

The queen and her aides will be installed tonight to rule over the campus at the end of the torchlight parade which will begin at Commons. Her highness will be crowned at the snow throne which has been erected in front of the lodge on Bonfire Hill. The torchlight parade will form at 6:30, and after a brief parade around the "loop", will proceed to the Lodge where the queen will be installed. After the coronation the parade will proceed to the Field House where the girls' vs. boys basketball game will mark the beginning of festivities.

Queen Brackett will be officially crowned by Governor Dale as the climax of the Carnival Ball on Friday night. Our new president, Mr. Adams will also be present.

Miss Brackett is a transfer from Syracuse University and is majoring in English. She is pledged to Alpha Chi Omega Sorority and lives at Smith Hall. Her highness is a member of the Outing Club, **The Granite**, and belongs to the Interclass basketball and hockey teams. Her interests are sports and dancing.

Ruthie Coombs is a member of the class of '49 and is majoring in hospital dietetics. She is a member of Chi Omega sorority and her activities include the Student Government, Pan Hellenic, Outing Club, SCM, and the Skating Club.

Mrs. Pat Johnson is a Psychology major and will graduate with the class of '48. Pat is a member of Alpha Xi Delta sorority and at present commutes from Wentworth Acres. Her activities include the Outing Club, Pepcats, Psychology Club and her husband "Skip".

Claire Rouillard is a Junior and is majoring in Mathematics. She comes from Claremont and her campus home is at Chi Omega. It is interesting to note that Claire has been elected to Phi Lambda Phi, honorary Physics Society, and to Delta Chi, honorary Mathematics Society. She is also a member of the Newman and Outing Clubs.

Toni Townsend is the only Freshman in the group. She lives at North Congreve and is pledged to Chi Omega. Her activities include the Dance Club and interhouse ping-pong. She will major in English.

Mortar Board Gives Whiz Kids Hayride

Mortar Board announces that the "Whiz Kids" of the University of New Hampshire will ride again on next Tuesday, Feb. 24, on a novel hayride.

Before that date 60 top students will receive their invitations. The lucky few will be the 15 girls and boys of the freshman and sophomore classes with the highest scholastic averages.

After the hayride the lucky sophomores and freshmen will return to New Hampshire Hall where there will be dancing and refreshments.

This is a new innovation by Mortar Board. In former years only freshman and sophomore girls on the Dean's List were invited to Mortar Board's annual tea. But this year the celebration will be coed.

Freshmen Sculptors Erect Huge UNH

Last Saturday more than a score of energetic freshman boys and girls exercised their artistic talents in erecting a snow sculpture on Bonfire Hill in front of Durham Notch Hall. Their contribution to this year's Carnival consists of a huge "UNH".

The same evening the freshmen again held the spotlight when they sponsored a vic dance at Congreve North. Over 150 freshmen attended. Mr. McIntire, the class advisor, and Mrs. McIntire were present.

The sculpture and dance were the idea of the freshman class officers: Russ Page, president; Bill Rexford, vice president; Evvie Blish, secretary; and George Perlman, treasurer. The dance proved such a success that another one is in the offing.

Admission will be by Carnival button which may be purchased at the door. The show will consist of several short cartoons, many on the art of skiing.

On Friday the first part of the skiing events will take place on McNutt's Hill. There will be a cross-country race, an obstacle race on skis and dashes. These events will be spread over two days. Prizes will be awarded for the winning individuals and the best team score. Each house and fraternity is asked to enter a team.

At 4:00 the judging of the snow sculptures will take place and the prizes will be awarded to the best sculptures in the judges opinion. The

Freshmen sculptors at work. The finished product may be seen on the hill in front of the Notch.

Theta Chi Scene of Carnival Ice Show

The Theta Chi skating rink will be the scene of the Carnival Ice Show this Saturday at 7 p.m. A variety of talent, professional and amateur, will perform.

A group of twenty-five skaters from the Boston Skating Club will appear. This group has performed at the Boston Garden and in several other cities.

Under the direction of "Russ" Mullen, members of the campus will present a novelty number. Russ was formerly with the Ice Capades. Glenn Vickery will perform on stilted ice skates. This exhibition in itself is quite a feat.

An exhibition of the use of fire batons on skates will be given by Shirley Grant. Miss Grant is well-known for her baton twirling at local football games.

Members of the cast include Theresa Tanguay, Joyce Whedon, Barbara Wiegand, Virginia Nelson, Alice Moul, Barbara McGrath, Lorna Ridley, Patricia McIntosh, Gail Whitcomb, Gwen Trickey, Marjorie Fletcher, Constance Severance, Elizabeth Bryden, Mary Claton, Marcella Chase and Marjorie Holmes.

A group of teen-agers from Manchester will perform several acts. They include Muriel and Jackie, The Fortin Twins, Nancy Krajewski and Bert Roy, Donald Whittemore in an un-

usual solo, and a specialty, The Shadow Dance Doll, with Anita Goulet and Bert Roy, along with several other acts.

Miss Dorothea Bustin of Springfield, Mass. has postponed an engagement in Baltimore to be with us. She has had five years' experience with the Ice Capades and a season with Sonja Henie's Ice Show in New York.

Greek World

By Carlotta Dondero and Bob Crory

Despite the unfortunate thaw, which played havoc with Kappa Sig's "props", the Blue Circle extravaganza, to all outward appearances, promises to surpass all post-war carnivals. It will take more than a little rain to wash away the "spirit" this weekend. . . . First of all, congratulations to Nancy Brackett of Alpha Chi our Carnival Queen for this year. May your reign be a happy one. The same goes for the aides—Pat Johnson of Alpha Xi, Ruth Coombs, Claire Rouillard, and Toni Townsend all of Chi O. . . . And we hear that Louie is importing extra gendarmes to handle the inter-house dance traffic Saturday night. . . . The Cats' close victory over St. Anselms Saturday left the campus amazed, and even thought the R. I. game score may not be the closest on record, a huge turnout is assured. . . . The newly elected officers of Pi K A include John Galven, Pres.; Hank Kuligowski, Vice Pres.; Roland Bourgeois, Sec.; and Brad Bean, Treas. Phi Alpha's new officers are Pres., Ralph Paresky; Vice Pres., David Weiner; Sec., William Harkaway; Treas., Herbert Levigston. At SAE they have elected Guy Williams, Pres.; George Buckley, Vice Pres.; Frank Farnham, Sec.; and Don Marsden, Treas. . . . SAE was visited by Harold Stassen, a prominent brother from Minnesota. . . . Lucy Roy and Elaine Peterson are the latest additions at Theta U. . . . Hats off to Phi D U's latest brain storm—a Tyrolian theme for their house dance complete with alpine hats, beer mugs, and (we dread the thought) short pants. Let's all pray for warm weather! Phi Mu Delta's Shipwreck House Party will vie with it for top honors. Already the downstairs looks like a Fisherman's Wharf. . . . ATO welcomes back Sam Goodhue, who has realized a skier's dream. Sam spent the first semester in the hill country around Alta, Colorado. Some guys have all the luck. . . . A "crown" to Phi Alpha's Norm Dinnerman who has been admitted to the U. of Penn. Dental School, an almost impossible accomplishment. . . . Alpha Chi sends best wishes to Helen Benson who graduated last semester and who-all has left for Louisville, Ky. to join her husband Sherm Benson, a Kappa Sig. . . . "Moe" Ross, Pi K A, and Ted Piecoriak, Sigma Beta, were elected co-captains of next fall's football team. "Moe" had another honor bestowed on him in being elected pledge president of Pi K A. . . . Engagements of the week include that of Marty King, Phi Mu, to Stuart Hobbs a Theta Delta Chi at MIT, and Betty Cook, Phi Mu,

UNH Students Get Apprentice Training

The Government Research Department has released information on its apprenticeship training program. Dover city council has stated their willingness to allow government majors to work with the new city manager and other officials in other city departments in the city government.

Probable work for these selected students will be in city finance, budget control, planning, assessing, highway and health department work.

The students will work six hours a week with the various officials under the direction and supervision of Donald E. Dunn of the government department here at the University.

Dover is one of the few cities which have shown willingness to allow students from the University to pursue work in the government fields.

Wolfeboro, Concord, and Laconia, N. H. have also given the nod to the plan which the UNH government department hopes will be far reaching. It is also working on plans to place advance students in positions of a government nature this summer.

to Hollis Bartlett. . . . Phi Mu extends lots of luck to Marge Fletcher who has just graduated, and welcomes Brownie back to the fold. . . . Sigma Beta and Lambda Chi went down to defeat in the face of Theta Chi's red hot hockey team spurred on by Speedy Nunes. . . . Theta Chi's letterman Najarian's statement last week paid off in the form of a communique from a mystery girl named "Susie". Congratulations to Theta Chi's Herb Stebbins who is engaged to Tinka Reynolds of Alpha Xi. . . . Shorty Lange, Phi Mu Delt, of Mt. McKinley fame, has been busy giving talks to campus organizations on his recent expedition. And his technicolor films on Mt. McKinley are terrific! Recent pledges in TKE include Harry Banfill, William Batchelder, Sidney Davis, Paul Kelley, John Millar, Elwin Muzzey, Roger Sprague, Stephen Pearson, Robert Turner, and Willard Turner. . . . Your correspondent Crory almost met a violent death from his fraternity brothers when he announced Ray Miner's winning of the 2nd prize in the Junior Hotel League Contest, while he neglected to mention Brother Jack Kielman's winning of the 1st prize which included a trophy plus a small fortune. Belated, but sincere congratulations, Jack. . . . Phi Mu Delt's Jack Mazeau has been chosen as the delegate of Alpha Chi Sigma, professional chemistry fraternity to the national convention at Cleveland next June. . . . And so we retire to the sad lyrics of the "Did I come too early or too late for the carnival, Subsistence check raise Blues."

Interfaith Group Sponsors Religious Emphasis Week

The University Inter-Religious Council has announced that the dates for the Religious Emphasis Week are April 6 and 8. The theme to be used this year is "Faith For Our Times" and the sub-topics are Faith in God, Faith in Man, and Faith in Prayer. More information about the activities of the Council will be revealed soon.

CARD OF THANKS

We wish to thank everyone at the University of New Hampshire who helped to ease our bereavement when our son and brother Louis A. DiPietro was killed in West Epping on Jan. 17, of this year. To everyone who sent floral tributes, spiritual bouquets or any other messages of sympathy we are very grateful.

I-M In Homestretch; Wildcat Ski Team Crown Champ Soon! Finishes Fourth in Dartmouth Carnival

As the Intramural League comes down the homestretch only the leaders in each league are sure of a playoff position. Under the playoff system the top four clubs in each league will be paired against the other in a grand elimination match. The Championship of the Campus will be decided on Thursday night, Feb. 19, as the opening gun to the Carnival Weekend.

In the Dormitory league the Commuters continued their unblemished record by defeating Engelhardt Hall, 43-26. Smith and Stone led for the Commuters with 17 and 14 points a piece and McCauley was high man for Engelhardt with 8 points.

West continued in its winning ways by trouncing Gibbs Hall 44-13. Joe Beaudin garnered 18 tallies to be high man for West. He was followed by his teammate Eichels who collected 12 points. Mates practically was the whole team for Gibbs with his 11 tallies.

Fairchild eeked out a one-point victory over College Row Commons combine, 27-26. Libbares and Sanborn led the way for the Fairchild lads with 7 and 6 points apiece and Powell and Aldrich were high men for the losers with 10 and 8 markers.

In the largest rout of the year the West Hall juggernaut rolled over a hapless Engelhardt "five" by a score of 69-17. Eichels led the way for the visitors with 14 tallies, and four of his teammates hit the double figure mark. The game turned into a rout in the early stages and it was just a matter of how high the score would run. West could possibly prove to be the "dark horse" in the tournament.

In a slowly played game, Engelhardt managed to defeat East Hall, 18-14. Pisperikos was high man for the victors with eight markers and McFayden of the losers was high man for the game with 10 points.

With the score tied, 41-41, at the end of regulation time Wentworth Acres and Sigma Beta were forced to play the first overtime game of the season. Wentworth managed to connect for a basket and protect their two-point lead to emerge the victor, 45-43. Ladd was top man for the winners by scoring 20 points. "Sock" Bobotas led the losers with 14 markers. This victory cinches a playoff spot for the Wentworth Club and also makes their spot in the Beta league standings more secure.

In the other Beta league encounter Wentworth again emerged the victor by defeating SAE, 31-23. Ladd again led the way for the winners with 11 points. Carpenter of Wentworth and Johnson of SAE each collected 10 markers.

Kappa Sigma won over Lambda Chi to stay up on top in the Alpha league. The "main street" boys outscored the fellows from the "Castle on the Hill", 34-27. Vic Szaucka of Kappa Sig led both clubs with 17 points. Soule was high man for Lambda Chi with 11 points.

With their two victories over Phi Mu Delta and Lambda Chi, ATO jumped up to a first place tie with Kappa Sig in the Alpha league. ATO defeated Lambda Chi, 44-14. With the scoring being evenly spread through the honors for the night went to Chandler of ATO who collected 8 points.

In the other encounter, ATO won easily over an out-classed but fighting Phi Mu Delta quintet, 35-21. Bob Mercer was the top man on the totem pole with 12 points. Lindquist was second with 9 markers.

Wildcat Ski Team Finishes Fourth in Dartmouth Carnival

Last weekend at the gala Dartmouth Winter Carnival the UNH Wildcats finished fourth out of ten top notch ski teams from New England. Middlebury edged the host Indians by 2/10ths of a point for top honors and McGill finished third.

At the end of the first day's competition the Cats were second but Dartmouth and McGill moved by them in the final events. The top stars for the Cats was Si Dunklee who finished second to Bob Wright, St. Lawrence star, in the gruelling langlauf. 40 seconds later his team mate Lloyd Hawkinson crossed the line in third position. The Cats' team was second in this event too.

Jim Bailey finished second to Griffin of McGill in the Slalom but his team only finished seventh in the event. In the downhill slalom combined Bailey crossed sixth and Oliver Cole wound up 11th as the team finished fourth.

Dunklee was 10th in the jumping and Hawkinson 14th with the team as a whole in third place.

The weather conditions for the events were not too favorable due to the thaw. The snow was extremely sticky but still enabled Don Henderson of Middlebury to set a 1 1/2 mile downhill course record.

Frosh Cats Cop 8th Over Nichols 69-54

A week ago Wednesday Andy Mooradian's Freshmen basketball quintet won their eighth straight encounter by trouncing a stubborn Nichols Junior College team to the tune of 69-54. Missing Bill Haubrich the team lacked a lot of scoring punch but the artistry of Stone gave the little Cats a 15-8 lead in the first period. He tallied four quick initial baskets. By half time the game was still about the same as the Cats led 26-18 and the shooting of Rafferty was outstanding.

In the second half the visitors put on the pressure thanks to the sensational shooting of Alvarez who racked up 20 points for the contest. However, the visitors could never get within reach still trailing by six points as the third period closed. The extremely scoring affair saw the little Cats in the van 49-35 at this point.

The rough and tumble play of Wyman featured the last period as the Cats showed no mercy and ran up a 15-point spread at the final whistle. However, they were never able to stop Alvarez or the Fatsi brothers who racked up 24 points between them.

Rafferty was the high scorer with 22 points while Stone made two less than Alvarez, for a total of 18.

Summaries: **New Hampshire**—Rafferty (f) 10-2-22; Copp (f) 1-0-2; Stone (f) 8-2-18; Duffet (c) 0-1-1; Stergion (c) 0-0-0; Fleit (c) 0-0-0; Wyman (c) 4-4-12; O'Brien (g) 2-3-7; Harvey (g) 1-1-3; Carbonneau (g) 2-0-4; Penny (g) 0-0-0. Total 28-13-69.

Nichols Jr. College—Ted Fatsi (f) 6-2-14; Scheideman (f) 0-0-0; Alvarez (c) 8-4-20; Maxwell (c) 0-0-0; Irwin (c) 0-1-1; Thompson (g) 0-0-0; Martel (g) 0-0-0; Leibler (g) 1-4-6; Johnson (g) 0-3-3; Total 19-16-54.

Tracksters Suffer First Loss at Bowdoin

By Gordon L. Barnard

A hard fighting winter track team broke their two-game winning streak last Saturday, losing to Bowdoin 65-52.

The outstanding performance of the day was turned in by Nicholson of Bowdoin in the discus when he scaled the wooden saucer 134 feet 8 inches for a new record. Second place in this event went to New Hampshire's point gathering Dick Lopes while Ed Styra took third.

Nicholson reappeared to trouble the Wildcats in the shot, copping first place with a neat "put" of 56 feet and 4 inches. Norton Tupper of New Hampshire was second while Draper of Bowdoin tagged third in this event.

The 45-yard high hurdles was a sweep for the Bears when New Hampshire's lone entry failed to hit his stride. Triple threat Matte Branch took first with Lee and Briggs placing second and third in that order.

In the 40-yard dash, honors went o Bowdoin again, with the Brunswick lads, Holmes and Swan, taking first and second respectively, followed closely by Barndollar of New Hampshire who pulled in third.

Cats Sweep Mile

The Cats clawed back in the mile with a clean sweep. Hard running high pointer Bob Johnson led the pack to the tape followed by Russ Chase and Al Neff. This is Johnson's first season as a miler and was Chase's first mile race.

New Hampshire lost out in the 600-yard run, dropping first and second to Jackson and Briggs of Bowdoin while New Hampshire's Dick Sweet took third.

With only a twenty-minute rest after the mile, Bob Johnson reserved enough kick to again break the tape in the 1000-yard run. Second place went to Gould of Bowdoin while Art Hartnett of New Hampshire finished third.

In the two-mile, ex-Wildcat harriers, Bob Wilson and Bob Paulson had things their own way due to Wilson's excellent pacing. Wilson flashed to a low 10:11.2 with the help of Bob Paulson who finished 5.3 seconds later; Woods of Bowdoin crossed the line third.

Bears Sweep 300 Yard Run

The 300-yard run went to the Bears all the way, with Swann, Briggs, and Brown finishing in that order. In one of the several heats, interest ran high when Wildcat Jack Gamble finished in a dead heat with a Bowdoin man by a deep breath. The time, however, was not good enough to place.

The high jump showed better for the Cats, but the scale still tipped in Bowdoin's favor. Branch of Bowdoin leaped to 5 feet 10 inches for first place with Gamble of New Hampshire and Barron of Bowdoin tying for second.

New Hampshire's only entry in the pole vault, George Wulfing, had to settle for third place when Cross and Nichols of Bowdoin respectively took first and second.

Lopes Wins Broad Jump

Two close marks in the broad jump made by New Hampshire's Dick Lopes and Burt Barker caused some confusion but officials gave first honors to Dick with Burt second. Branch of Bowdoin was third.

Big Ed Styra put in his usual reliable performance in the 35-pound weight event, copping first with a heave of 51 feet 10 inches. Parsons of Bowdoin took second while Ted Piciorak of New Hampshire notched third.

Individual scoring honors went to Branch of Bowdoin who collected a (continued on page 5)

Wildcat Freshmen Grab Ninth Straight

By Bill Reid

For the first time in many a Saturday, Andy Mooradian's Frosh courtmen polled a second in the weekend campus-conversation department as Dickie Dart and company dominated student chatter through their startling upset win over the Hawks of St. Anselms. Nevertheless, the Mooradians prolonged their victory skein, chalking up their ninth consecutive win by dropping a Lowell Textile J.V. quintet, 52-32, in the preliam of the Wildcat-St. A fracas.

Tripping his light fantastic to the obvious delight of the Lewis Field House assemblage, George Rafferty supplied the sole color to an otherwise drab ball game. In addition to his showmanship abilities, the former Portsmouth ace paced the Cat scorers throughout the skirmish.

Frosh Start Slow

Contrary to their usual form, the Frosh floundered in a scoring famine during the early minutes of the game. At the six-minute mark the Durhams began to find the range and forged ahead to a 12-8 advantage at the end of the first period.

Wingmen Rafferty and Stone continued to provide the scoring thunder in the Cats flurry of field goals during session two which landed them 12 points on top 27-15 at half time.

It was not until the fourth period that the Lowells hit their stride. Checking closely, the Textilians had the Cat hopefuls in the fingernail (continued on page 5)

Brooklyn Dodger Coach at Baseball Clinic on Saturday

The second annual baseball clinic for New Hampshire schoolboy coaches and players will be held at the Field House on Saturday, February 21st with two sessions; the first will be in the morning between 10:00 and 12:00 and the second between 1:30 and 4:30 p.m. It is open to all University students and all New Hampshire players and coaches.

The clinic is sponsored by the N. H. High School Coaches Association and lectures and demonstrations will be presented by Clyde Sukeforth, famous Brooklyn Dodger coach who aided the Flatbush faithful win the National League pennant last year. Alex Campanis, second baseman for Montreal last year and now manager of the Nashua Dodgers in the New England League, also will be present.

biting stage for an agonizing three minutes as they shortened the breach to a six-point margin, 37-31. The Mooradians put on the heat with seven minutes to go. They held the Bay State five to a single point during the remainder of the contest, meanwhile registering 15 for themselves to lower the boom on the Lowells and push themselves one step closer to an undefeated season.

Dots and Dashes

The Cats suffered the usual weed-out at the hands of the Committee of Scholastic Standing, losing five of their operatives including such standouts as Haubrich and Stergion.

Rafferty and Stone paved the way for the Frosh scorers tallying 14 and 11 markers, respectively.

Only the Jumboes of Tufts and a mighty classy Northeastern quintet stand in the way of an unblemished Freshman slate. Following their mid-year slashing, only a fine showing on the part of the Mooradians will keep them on the victory trail.

Millman Stars As Cats Overcome Hawk Lead

By George S. Haselton

The UNH Wildcats scored their proudest victory of the campaign last Saturday afternoon at Lewis Field House when they came from behind in the closing minutes to nip a stubborn St. Anselm's quintet to the tune of 57-52. It was the fourth win of the campaign for the Stanczykmen in the first athletic competition between the schools in five years.

Millman Stars

Bub Millman paced the locals in their stunning victory by garnering 21 points. With three minutes to go, and the lead changing hand every few seconds, the pint sized Vinnie Martley put the Hawks into a 50-49 lead with a foul shot. Then Dick Dart scored for the Cats to give UNH a 51-50 advantage with but two minutes remaining. Bastin looped in a layup after Millman had given the locals a three-point advantage. There were 58 seconds to go and the Cats led by the slim margin of 53-52. Twice the Hawks fouled and twice UNH took the ball out rather than take a foul shot and risk losing the pill. The crowd was in pandemonium when the desperate Hawks were caught off guard and Millman looped in another score. Now UNH had iced the game with a 55-52 lead and just for good measure Chuck Katsificas tallied the final basket to give the Cats a five-point spread over the highly touted Catholics from Manchester.

High Scoring at Outset

The game started out in a high scoring fashion. Vinnie Hartley, the ace of the Hawks, scored on a long shot just after the opening jump. Then Dick Dart put three baskets in for the Cats and Millman chipped in with two to give UNH a 10-3 lead at the two-minute mark. The first period ended with UNH still holding a good lead of 17-11.

Early in the second stanza long shots by the Hawks closed up the score to 24-23 at the 15-minute mark.

Rabbit of the A's sank two fouls to give the Hawks a 25-24 lead and commence a rush that sent the visitors ahead 34-27 at half time. It seemed that they had the game tucked away then and there as UNH was faltering, making only 3 points in five minutes.

Cats Rebound

The men of Ed Stanczyk served notice that they were far from beaten as the third period opened. Bub Millman did some excellent shooting to close the score up to 36-40 at the 5-minute mark of the third quarter. It was in this period that K. V. Dey took some of the enthusiasm out of the visitors with his hard fought action. As the last quarter opened the Cats trailed 39-42 and the crowd sensed a photo finish.

For the first time since the second period Al Britton put the Cats ahead 43-42 at the 13-minute mark and Millman gave the Durhamites a three-point advantage. Then Bastin, a giant of the Hawks, looped in two shots to give the A's a one-point margin. Millman and Dart came right back to give the Cats a three-point lead only to see the Hawks fight back and tie at 49 all. Then came the neck and neck finish and the sweet taste of victory for the hard fighting locals.

Rhody Next

After a sojourn to Tufts, the Cats will play the high and mighty Rhode Island Rams at 7:00 p.m. next Friday. A victory over the Rhody team is almost too much to expect but it may become a reality if the Cats continue their inspiring play of last week.

Meet Your Prof

By Bill Merrill

After climbing to the third floor of "T" Hall, I began to wonder if it was worth all the trouble just for a little story. Finding room 306 and meeting Phil Wheaton, I decided that maybe it was worth it, and after getting his story I changed my original conception completely.

The story, which I drew from Mr. Wheaton, was very interesting and varied. His position here, as you know, is instructor in Speech. He made his first appearance in this world in Putnam, Connecticut, and in due time became a graduate of Putnam High School. He then attended Clark University where he received his A.B. and Ed.M. degrees, and has also done special graduate work at Harvard.

Before coming to New Hampshire, he taught at Putnam High and Sanborn Seminary in Kingston, N. H. He arrived at UNH in September, 1947.

In high school, he taught Biology, General and Advanced Science, Physics, Latin, Ancient History, and three grades of high school English. This varied teaching curricular is not so much a reflection of his training but shows that he is willing to adapt himself to any situation that may arise.

Teaching school is not all that he has done. He has been on the stage in Boston and with summer stock companies. Some of the glittering stars that he has appeared with are: Ann Corio, Dame May Whitty, Edward Everett Horton, Libby Holman, Bert Lahr, and Jean Cagney. About the New York theater he has this to say, "Glamour is all Glitter" — it doesn't count backstage.

He is a member of the New York Civic Repetory Company, a group which produces plays.

His hobbies are many, among them being short story and play writing, tennis, and his most important hobby at present, a collection of brilliant sayings that emanate from his students in public speaking. He also skis (on level ground).

For the present, he is single, but he has hopes (in Leap Year too).

He is interested in writing plays for the theater although he has none in mind at present and is not engaged in writing "The Great American Tragedy".

When asked about politics he modestly stated, like General Eisenhower, that he has no ambition to become President, end of quote.

Mr. Wheaton has also done radio broadcasting without suffering from that occupational disease known as "Mike Fright". Among the people he has had the pleasure of interviewing are big name radio and stage stars. He said the most interesting star he met was Ann Corio. This may be because he was a sailor in the play called "Sailor Beware!" that starred Miss Corio.

Mr. Wheaton is at present working for the Extension Service lecturing on public speaking, requiring him to travel to Portsmouth, Manchester, Lancaster, Berlin, etc.

When he started high school, there was no guidance course, so when he was asked what he wanted to study, he said Biology. The first thing that came to his mind. At the end of four years he decided that Biology wasn't his line and took up English.

After all English Profs are human. They can change their minds too.

al education with its attendant cost can't go together at UNH.

The emphasis of big-time football can easily result in a neglect of the countless numbers of students who need physical education. No college or educational institution can justify its participation in big-time college athletics until it can successfully meet the reasonable physical education needs of all its students. Any institution which neglects a real physical Education program in lieu of big-time sports is violating one of the fundamental reasons for its own existence.

Letter to the Editor:

To the Editor:

Those who have read **Yank**, the former Army magazine, know that in the Army enlisted men have chocolate bars that have seven nuts in them while the officers have special ones that have eight nuts. They also know that "Sad Sack" was only too true to life.

I wonder if there aren't some candy bars with eight nuts hidden under the counter or in some refrigerator in the establishment known as the "Commons". It seems mighty strange to see well-nourished, healthy dietitians on one side of the food counter in this establishment, while on the other side, straggly, over-worked, under-fed students reluctantly accept the food shoved at them.

And what is more typically a "Sad Sack" experience than rushing out of a Bio lecture with newly acquired knowledge of one's bodily demands and thoughts of a sizzling steak with French Fries on the side, heading for its Commons?

the Commons, bucking Tech students heading for their 12 o'clocks, standing in line for ten to thirty minutes; finally seeing cold cut hot dogs being pawned off as spiced ham, then receiving a sheer from the nearest dietitian when you glance up questioningly and then having a nervy cashier say sweetly, "The salad is ten cents extra?"

I've heard prices are high; that it's hard to cook in quantity and keep the flavor in food; that one receives a balanced diet in the Commons; but a meal ticket costs nine dollars. Ice cream (and probably milk) is obtained from the University Dairy very cheaply.

As for flavor of food, I'm not sure if watery potatoes and a type of hash of unmentionable ingredients are the criterion of a balanced diet. I haven't the guts to talk about the meats served.

I was never a possessor of a Freshman meal ticket, except when I've tried to sneak by with one whose owner went home for the week-end. And Wow! The fuss the cashier raised! But how about that? Most of the students are from this state or near by and want to go home for a number of weekends during the semester. Is it right that they must pay for meals they are not going to eat?

And how many times have you rushed through a shower Sunday morning, hurried to Commons to get there before closing time, and found that the dietitian's watch is about five minutes fast and the doors shut?

All this is garnished with wet trays, dirty glasses, and lack of silver.

I'm not sure of the girls but one of the highlights of a guy's day is his meal and how can a "big time" college like UNH have such meals served by its Commons? Edward Nutter

Vets Must Complete New Form for Faster Payments

Veteran students wishing to continue their training under the GI Bill with a minimum of delay after the term ending in May or June must obtain statements from the institution last attended, to the effect that they have satisfactorily completed the course, or have made satisfactory progress.

These statements, James J. Doyle, Manager of the Manchester VA Regional Office, explained, are required by the VA before it can issue the veterans supplemental certificates of eligibility for use when they re-enter training.

VA forms which may be used in requesting change of course or transfer from place of training are obtainable at any VA office or from VA training officers.

They point, and of course with pride, that the student of today's college is a serious, deep thinking duck. They maintain that he has the orb to the future and the elfin ear to the soil. They are pleased. They clap their hands in a sedate educational outburst. But we want to take the issue, to raise voice over the corpse of the Collegiana.

The world is entirely too serious as it is. Year after year, more and frowning thinkers are sent in the world from our colleges. The earth is crammed with people who are too busy to laugh, and too intellectual to let down. Dignity and the lack of a sense of humor have become synonyms. People are funny, screamingly so. But they of the intellectual curve seem to forget it. Humanity, to the serious thinker, is something to stare moodily at through a test tube. Mentalists probe and pry, attaching long weird-sounding names on types of humanity. Psychoanalysis has become a fetish. Laughter has vanished. But people are still supremely funny.

If the Hitlers, Mussolinis, and Stalins had had a sense of humor the world wouldn't be in the state it is. There is nothing so equalizing as a hearty laugh. Nevertheless, people seem to think it a splendid sign that Collegiana has gone serious. It has gone a little to serious. Gleeful gurgles have just as much place in life as serious thinking. We shouldn't forget it.

Veterans Commissary, Inc.

Veterans Commissary, Inc. to dissolve. . . . UNLESS a quorum of 91 members is present at an annual general meeting to be held Wednesday, the 25th of February, in Murkland Auditorium, at 7:30 p.m.

This meeting was scheduled for last Friday, the 13th, but of the 365 members of the Commissary, there were only 19 present. Needless to say, none of the important business on the agenda could be discussed.

Every member shares equal responsibility in deciding whether or not the Commissary is to continue.

Remember the time and place: Wednesday, the 25th, in Murkland Auditorium, 7:30 p.m.

Couples Club

The Couples Club will meet the following three Sundays at 8:45, after Lenten Vesper services. It is expected that the three Lenten speakers will be Bishop Hall, Doctor Alden and Mr. Setzer. Each will speak on some pertinent question. Be sure to call 4-7 by Friday for baby-sitters.

Last Sunday night, February 15, the meeting was held in apartment E-10. Entertainment consisted of records, movies and refreshments. This Sunday the meeting will be held in the Preston's apartment. All contributions of cakes and cookies will be readily accepted at all meetings from now on.

The Couples Club is a discussion group for all married students. The club has a varied program, emphasizing no particular phase; everyone will find something of interest as a member.

The group always meets in one of the College Road apartments and each week a different couple assumes the planning of the program and the publicity arrangements. It is not a sponsored organization but does receive the help of SCM.

Campus Wives Club

The Campus Wives organization is sponsoring a recreation evening at the gym for all the student wives. It will be held every Tuesday from 7:00 to 8:00 unless specified otherwise. The Physical Education Department will supervise the playing of basketball, ping pong, and badminton. Please wear rubber-soled shoes or sneakers.

College Road Residents' Organization

Keep in mind in the very near future there is to be held a general College Road Residents' Organization meeting, the second of its type.

It has been observed by the representative committee that there is an increasing number of pets on College Road, but report of ownership has not been made to the committee. Those who want the privilege must conform to the regulations of F.H.P.A. and UNH and are to report personally to Bill Gagnon, apartment L-1, immediately. Any individual who willfully, or by negligence, does not comply with regulations will be forced, without further recourse, to get rid of their pet. The position of those residents who have wholeheartedly cooperated in achieving this privilege will not be jeopardized by irresponsible members of the association.

“Smoke, Smoke, Smoke That
Cigarette” Song of Choking Coed

By Jane Black

Any evening at the Notch, gloomy figures may be seen groping their way toward a card table, the lunch bar, the ping pong tables, or an empty (they hope) chair. Someone puts a nickle in the coke machine and out comes “The Too Fat Polka”. Why this air of mystery? — Smoke! And one doesn't have to look far for the source (s) of this impenetrable pall.

First, of course, are the many cigarettes, with both male and female addicts. From many strategic spots in the room curl up miniature smoke signals — and I thought the Indian arts had been lost. These fiends puff away into the face of anyone near them, but “anyone near them” puffs back, so I guess no one can gripe. No one, that is, except the few non-smokers who have a worse smokers' hack than the smokers.

Pipe Puffers

A few radicals are smoking pipes and some of them smell so sweet. Some of them don't. Nevertheless,

certain of the more prejudiced men on campus claim that men of distinction smoke pipes. However, the pipe family has more limbs than a centipede. Take for instance the Sherlock Holmes' pipe that contributes to that “hound dog look”. And the collegiate type, a long stem with a thimble on the end, serves for appearances sake. For the true indulgers there is the boiler maker type. The aggie boys economize with corncob pipes and the campus eccentrics drench their friends with Turkish water pipes. All very gay.

Smoke Screen

But what is that horrible smell? Garlic? Oh, some character just lit up a CIGAR! Three girls are overcome by the fumes and have to be carried out for air. Everyone else merely turns a little green and casts “Schmutzig” looks at the villian.

The moral to this story is: They weren't kidding when they said “Smoke Gets in Your Eyes”.

The Cats Meow -

By Carl Siembab

Last week, your roving reporter went out among the snow covered buildings in search of answers to a pertinent question, pertinent in a sense that in one way or another it concerns everyone on campus. Some of the answers he received are not printable, but those that are will be faithfully transcribed in this column.

The question, “Where on campus do you eat and why do you eat there?” caused several of the interviewers to go into hysterics, while others simply turned purple and without replying passed out of this world. The majority of these enraged people were freshmen.

Now some people might wonder why only freshmen went into uncontrollable tantrums. Well, it seems that they don't have too much choice when it comes to picking out a beanery. Their stock answer to the question was: “The Commons, because we are forced to buy meal tickets and if we buy them we might just as well use them”. Sounds like good reasoning to a one-sided issue.

And now to quote some of the cats: H. P. Wilson, Fairchild, '50, L.A.—“Commons, because of financial matters and the Pharm whenever possible.”

Gus Allen, Hetzel, '51, L.A.—“Commons; Don's, Pharm. Variety is the spice of life, you know.” (Besides, a guy's got to live.)

Andrew Stergion, Fairchild, '50, L.A.—“Commons, because we are forced to buy meal tickets by the anarchistic system of the school.” (Could be.)

Toni Townsend, Congreve North, '51, L.A.—“Commons, because I have to. Freshmen girls are forced to buy meal tickets.”

(Joan Claridge of Congreve North, who was with Miss Townsend at the time she was being interviewed echoed Miss Townsend's reply.)

Fannie Lucas, Scott, '48, L.A.—“Commons, because it's cheaper than any other place and if you've got to stand in line downtown you might just as well stand in line there.”

John Gleason, Fairchild, '49 L.A.—“Commons — It's economical and more sociable and also it's adjacent to my dormitory.” The latter reason sounds more convincing.)

Mary Chisholm, AXO, '49, L.A.—“AXO because I live there and the food is the best on campus.” (Note to AXO chef: She was very serious when she made this reply and she

MGM to Produce
Two Films in N. H.

Louis de Rochemont, film producer, has signed a contract with Metro-Goldwyn-Mayer to produce two semi-documentary entertainment films in New Hampshire. The first of these is “Lost Boundaries” by W. L. White, a story of a negro doctor's family, a son of which is now attending UNH. It will be filmed in Keene, the present home of Dr. Johnson's family, and in other sections of the state where the book's action takes place.

The second film, “Smutty Nose”, based on an 1873 murder of 2 women on the Isle of Shoals, will be produced on the Isle and in nearby Portsmouth.

Mr. de Rochemont said he would use Keene and Portsmouth people in the films. Both will be produced in the early spring.

A former producer of the March of Time, Mr. de Rochemont won the Academy Award for his production of 20th Century Fox's “Fighting Lady”.

Bowles AVC Delegate at
National Vet Housing Conf.

The Donald and John Crafts Chapter of AVC announced that Raimond Bowles, UNH '47, would represent them at the National Veterans Housing Conference in Washington on February 29, 1948.

This conference, composed of representatives of AVC, Catholic War Veterans, Amvets, VFW, Jewish War Veterans, and Disabled American Veterans, is being held to bring Congress's attention to the national housing shortage. President Truman, Senator Taft, and General Eisenhower are expected to address the conference.

Bowles, who until recently, has been an interne at the American Institute of Public Affairs, is now assistant clerk of the Senate Banking and Currency Committee.

really isn't looking for an extra helping of dessert.)

Guyneth Allen, Smith, '50, L.A.—“Commons, because I work there.” (I couldn't think of a better answer myself.)

Dick Kevin, Theta Chi, Grad.—“Theta Chi; I live there and I don't have to stand in line.”

Margaret Neily, Smith, '49, L.A.—“Follansbee's; it's clean, economical and has a pleasing atmosphere.” (At least the answer's different.)

Bekki Pilver, Smith, '50, L.A.—“Everyplace, not because the food is good but I have to eat.” (Why?)

Phyllis Kovner, Smith, '50, L.A.—“Cat and Soldati's. Because they have the best food.”

There you have it; several opinions on this week's question. If yours is not among them, don't feel hurt. I'll be around next week with another question and if I get the chance, I'll see you about it. As for myself, I cook my own meals — and eat them, too. As an ending remarks, “Where on campus do you eat and why do you eat there?”

J. Paul Sheedy Switched to Wildroot Cream-Oil
Because He Flunked the Finger Nail Test

START using Wildroot Cream-Oil today! It takes only a little bit to groom your hair neatly and naturally without that plastered down look. And Wildroot Cream-Oil relieves annoying dryness. Removes loose, ugly dandruff. . . . helps you pass the Finger-Nail Test. Always ask for a tube or bottle of Wildroot Cream-Oil at your drug or toilet goods counter. Find out for yourself why it's “again and again the choice of men who put good grooming first.” Remember, Wildroot Cream-Oil is non-alcoholic and contains soothing Lanolin! For generous trial supply free, send this ad with your name and address to Wildroot Co., Inc., Dept. C-3, Buffalo 8, New York.

New York Attorney Speaks to Law Club

The March meeting of the Pre-Law Club will be held tonight at seventy-three in the Alumni Room of New Hampshire Hall. The speaker of the evening will be Attorney Herman L. Falk of New York City. Mr. Falk will tell the pre-law and other interested students and faculty of some of his most interesting experiences in the practice of trial law and will also describe to the group the place of the lawyer in the community and in politics.

Mr. Falk is a former president of the Bronx County Bar Association and is a member of the New York and American Bars, the latter distinction allowing him to practice before the Supreme Court. Attorney Falk prepared for the law at Fordham University and Fordham Law School. He is a former United States District Attorney and has been practicing law for over thirty years.

A short business meeting will be held at the conclusion of Mr. Falk's remarks and refreshments will be served under the auspices of club secretary-treasurer, Helen Scott.

WHY I smoke Chesterfield

(FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS)

"When I bring my tobacco to market I'm always looking for the Liggett & Myers buyers because I know when I've got real good mild, ripe sweet tobacco they'll pay the top dollar for it.

"I've been smoking Chesterfields for about 25 years. I like their taste and I know the kind of tobacco that's in them."
